ZEPHYRHILLS BULLDAWGS FACT SHEET

Profile: The Zephyrhills Bulldawgs is a 501C 3 organization that was founded and established by coaches and parents who want to see the community unified in supporting youth development in athletics.

What We Believe: We believe that competitive sports provide discipline, structure, and great opportunities to instill respect and leadership qualities in our youth.

Who can be involved: We are based in East Pasco, Zephyrhills but anyone can join our association and play on our teams. We are open to all youth between the ages of 5-14.

Age Only Programs: Our young athletes should enjoy sports and play with their peers. That is why we create teams based on age and not weight. We allow players to play with their peers, which promotes safety and solid development in sports.

Our commitment to our parents: is to maintain a quality program. We do this through constant communication with parents/guardians and our community members, as well as elected officials. We believe engaging parents promotes their involvement and increases the success of our participants.

Why we're different: We feel that no child should go without playing sports because they cannot afford it. We pride ourselves on maintaining one of the lowest registration fees in Pasco County for recreational football and cheerleading. We also have a "cleat donation" for children who may need shoes to play. We are looking to expand our organization to more than just football and cheer so that we may reach out to every child in our community.
